

MINIMO LIGHT

design **Piero Lissoni**
2010

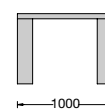

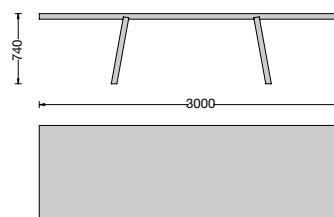

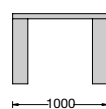

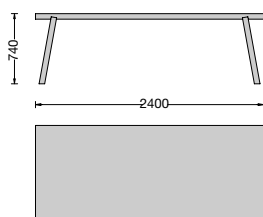

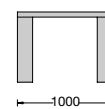

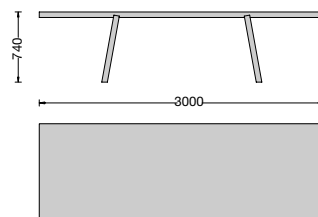

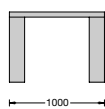

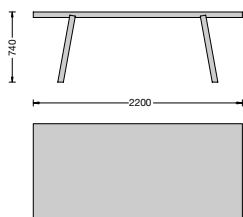

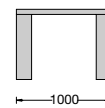

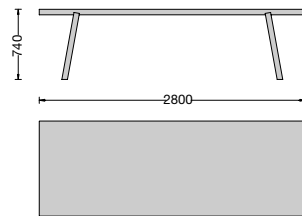

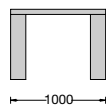

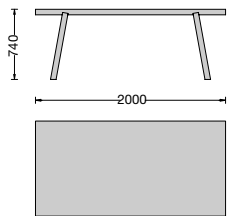

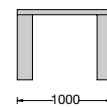

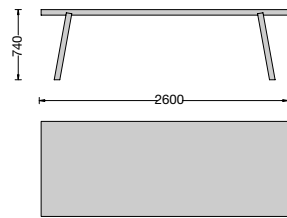

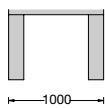

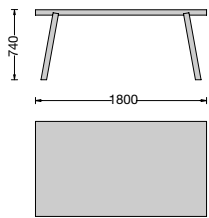

Dal successo di Minimo, il tavolo in legno massiccio hemlock caratterizzato dalla semplicità, dall'equilibrio e dalla simmetria tipici dell'arredo giapponese, nasce il nuovo Minimo Light, la variante in tamburato che ne riprende il disegno, moltiplicandone la leggerezza e versatilità. Il nuovo modello, disponibile nelle 16 finiture in essenza Porro e in 8 dimensioni, è stato pensato per ospitare 6, 8 oppure 10 posti a sedere.

From Minimo success, the hemlock solid wood table marked by simplicity, equilibrium and symmetry typical of Japanese furnishing, Minimo Light is born – the option in honeycomb board that follows Minimo design, multiplying its lightness and versatility. The new model, available in 16 Porro wooden finishes and in 8 dimensions is made to receive 6, 8 or 10 seats.
