Serie 50

designer — Antonio Rodriguez

Serie completa composta da diversi elementi di ispirazione Fifties. Massima espressività di forma e colore, di raffinate lavorazioni artigianali. Il telaio in legno è rivestito prima in poliuretano espanso, indeformabile dalle quote differenziate e poi rifinito con fibra di poliestere. Il rivestimento è in tessuto o in pelle, i piedini sono realizzati in acciaio verniciato a polvere nel colore grigio scuro.

A complete range comprising various pieces inspired by the Fifties. Maximum expressivity of form, colour and skilled craft workmanship. The wooden frame is first covered with stress-resistant, differentiated density polyurethane foam, then finished with polyester fibre. The covering is in fabric or leather and the feet are in steel with dark grey epoxy powder paint finish.
